

A photograph of a window with a teal and red color overlay. The window is divided into two panes. The text "Suppressing Window" is overlaid in white. The entire image is framed by a grey border.

Suppressing Window

# Suppressing Window

- Count the number of heartbeats in a 60-minute window for each application.
- Send an alert email if an application is not sending at least three heartbeats in 60 seconds.
- Allow late arrival of heartbeats by 10 seconds.
